## 05 Team of the Year

This award celebrates the exceptional teams, whether that's internal or external teams, coming together and delivering collaboration, commitment, and creativity that have driven meaningful impact and outstanding results. Whether overcoming a challenge, launching a major initiative, or working seamlessly across departments or borders — this is your moment to show what teamwork can achieve.

We want to hear how your team brought together diverse skills, perspectives, and strengths to deliver something truly brilliant. How did you foster collaboration? What practices helped you succeed? And how did working together lead to better outcomes for your customers, partners, or business?

Show us how your team turned great teamwork into an exceptional achievement.
