08 Service Provider of the Year

This award celebrates the behind-the-scenes champions — the partners and providers who enable others to thrive. Whether through technology, logistics, consultancy, or creative services, we want to recognise those who go above and beyond to support growth, collaboration, and innovation across the gift card industry.

Tell us how your work has delivered real value to your clients and helped shape the broader market. Have you introduced smarter solutions, driven efficiencies, or brought fresh thinking to longstanding challenges? We're looking for service providers who set the standard for excellence and pave the way for a stronger, more connected industry.

If you're helping others shine — it's your time to step into the spotlight.
